

NT Consultants Register January 2019

Why engage a consultant? Consultants are best for when you need specialist support during periods of change and development or you don't want to employ someone long term, but need a specific skill set. Consultants can be at your disposal when you need them and are eager to produce the required outcome in a timely manner. Consultant conditions are negotiated at the outset.

This register is a tool to assist NT community sector not for profit organisations to access, with confidence, local consultants or consultants that have extensive experience in the NT that are able to assistance with financial, governance and organisational management. The referees shown on this list have previously engaged the consultant and are willing to provide a reference.

If you require additional information about a particular consultant, assistance in negotiations with your chosen consultants or would like to add you name to this register please contact NTCOSS on 89482665 or admin@ntcoss.org.au.

NTCOSS or the referee do not accept any responsibility as to the quality of work conducted by consultants on this register.
